SUBMISSION PROCESS

Completed nomination packages can be formally submitted using the following methods:

- **EMAIL:** Download the fillable PDF to complete electronically and email to giving@ytr.ymca.ca.
- **IN-PERSON:** Print a hard copy of the PDF to complete by hand, and hand deliver your complete package to our Front Desk team at our Guelph YMCA building (130 Woodland Glen Drive) during regular business hours.

We highly recommend that you record your application information in a Word or text document before submission so that you have a backup copy of the information you have submitted with the application.

SELECTION PROCESS

All nomination packages will be reviewed by our Women of Distinction™ Selection Committee, who will choose the award recipients based on the submitted information only, using a standardized scoring system. Please be thorough and factual in your submission. All nomination packages will be treated in the strictest of confidence.

Once selection is completed, our YMCA of Three Rivers Selection Committee will inform the nominator and nominees of the results. If you consent to your submission being shared with your nominee, we would be delighted to relay this to them after selection is completed; past honourees have shared that this is a very meaningful part of the experience.

There will be a formal announcement of this year's newest Women of Distinction™ honourees on International Women's Day (**Sunday, March 8, 2026**).

WHAT IF MY NOMINEE IS NOT SUCCESSFUL?

We recognize how much effort it takes to compile a strong submission, so the Selection Committee encourages you to retain the package and re-submit in future years. If the Selection Committee has specific feedback about your package that they feel may make it stronger in future years, they may offer that feedback.

You and your nominee are welcome to join our 2026 Women of Distinction™ event to share and celebrate the collective power and strength of the women in our community. There will be an acknowledgement of all nominators and nominees at the event, and we look forward to applauding you.
