BE A CHAMPION FOR WOMEN, GIRLS, AND GENDER-DIVERSE INDIVIDUALS IN YOUR COMMUNITY!

Women, girls, and gender-diverse people have faced barriers and unique needs for too long: they are underrepresented or undervalued in leadership, business, politics, sport, and so many other fields. Through Women of Distinction™, the YMCA of Three Rivers celebrates the success stories of women who are overcoming obstacles and leading the way for the youth of tomorrow. We highlight and honour Guelph and area women making our community stronger and more vibrant through their work.

Funds raised through this event support several youth programs targeting girls and female-identifying youth. These initiatives focus on building confidence, resilience, and self-esteem with emphasis on building healthy behaviours and relationships. Please consider becoming a champion of women, girls, and gender-diverse individuals through sponsorship of our 2026 event.
